

EASINGWOLD METHODIST CHURCH

Health and Safety Policy Statement.

We will comply with current Health and Safety legislation by:

- 1 Conducting an annual Health and Safety risk assessment of all our properties in conjunction with the Property Committee , to ensure that all and any defects or shortcomings are properly considered and repairs or improvements implemented.
- 2 Ensuring that all users of the premises are aware of emergency evacuation procedures.
- 3 Ensureing that all gas and electrical installations and appliances are examined and maintained on an annual basis or other such period as is considered desirable or required by law.
- 4 Complying with food hygiene regulations.
- 5 Ensuring that all cleaning liquids, aerosols, polishes, and pesticides are securely locked away when not in use.
- 6 Complying fully with The Methodist Church Safeguarding Policy.
- 7 Maintaining a suitable first aid kit and a formal accident book in the vestry
- 8 Acting responsibly towards our employee and tennant, and ensuring the safety of visitors, contractors and members of the public on our premises
9. Providing opportunities for training in Health & Safety for employees or volunteers where appropriate.

The Committee responsible for overseeing these matters is the Property Committee on behalf of the Easingwold Methodist Church Council.
