Together Constantly in Prayer:

Please take a moment each morning to join us in prayer.

1. Thank God for his light which comes through Jesus and pray that this light may shine out from us into our community.
2. Pray for all Christians in positions of authority in government as they seek to live out their faith in these difficult days.

Country for prayer: Estonia

Population 1.3 million about half from a Christian heritage

Estonia has been a successful post-Soviet country both politically and economically but despite religious freedom few are truly committed to following Jesus. Pray for renewal in the church.
